IF YOU ARE TAKING YEAST

You'll Be Glad to Know Yeast Vita-
mine Is Put Up in Tablets Now.

EASIER TO TAKE:
RESULTS QUICKER

Out of experience gained in
watching numerous people taking
yeast the chemists have found the
"ideal" combination and now you
can buy at the drug store—con-
centrated tablets containing a prop-
er dose of Yeast Vitamine (Water
Soluble B) extracted from yeast
with the still more important "Pat
Soluble A" Vitamine, etc., which in
tablet form, made expressly for
medical use, is easier to take,
more economical and results quick-
er. These tablets are called "Phos-
pho-Vitamine" tablets. Doctors,
druggists and chemists prefer them
and praise this newer, better way.

FRECKLES

Don't Hide Them With a Veil; Re-
move Them With Othine—Double
Strength.

This preparation for the removal
of freckles is usually so successful
in removing freckles and giving a
clear, beautiful complexion that it
is sold under guarantee to refund
the money if it fails.

Don't hide your freckles under a
veil; get an ounce of Othine and
remove them. Even the first few
applications should show a wonder-
ful improvement, some of the light-
er freckles vanishing entirely.
Be sure to ask the druggist for
the double strength Othine; it is
this that is sold on the money-
back guarantee.—Adv.

SIMPLER PACKAGE SYSTEM URGED BY WEIGHT EXPERTS

Slack-Filled Package Bill
Indorsed at Closing
Session.

Simplification of packages for all
sorts of commodities was urged in
resolutions adopted at the closing
sessions of the fourteenth annual
conference on weights and meas-
ures, held at the bureau of stand-
ards yesterday. The resolutions de-
clared that the adoption of standard
sizes for packages used in various
trades and industries would make
for greater efficiency and result in
large savings.

After considerable discussion,
mainly favorable, the conference ap-
proved the so-called slack-filled
package bill, an amendment to the
Hawkins locomotive works during
the house. In leading discussion on
the bill, G. G. Pray, state inspector and
sealer of weights and measures of
Vermont, S. Dak., told how the
trade had in some cases only par-
tially filled packages, and that this
abuse needs remedying.

The metric weights and measures
bill that has been introduced in con-
gress was discussed, but action was
deferred to the conference of next
year.

A decimal system should be
adopted in this country because of
its simplicity and the consequent
saving in time and money, Dr. S. W.
Stratton, director of the bureau of
standards and president of the con-
ference declared in discussing the
measure. The use of the metric
system will greatly aid our foreign
trade, he asserted. He told how the
Hawkins locomotive works during
the war changed from the English
to the metric system without loss of
time or efficiency when locomotives
for foreign countries had to be built.

The delegates to the conference,
who represented nearly all the
states in the union, met President
Harding at the White house at 1
o'clock yesterday afternoon. The
afternoon session was held immedi-
ately afterward at the Raleigh hotel.

Dr. S. W. Stratton was re-elected
president of the conference, and
Louis A. Fisher, chief of the
bureau of standards and of the
Wannamaker state superintendent of
weights and measures, Trenton, N. J.,
were re-elected secretary and
treasurer, respectively. W. T.
White, director of the bureau of
weights and measures, New York
state, and H. A. Webster, state com-
missioner of weights and measures,
of New Hampshire, were elected
vice presidents.

MARINES INJURED UNDER AUTO-TRUCK

Returning from Fredericks-
burg Fete; Airplane Also
Smashed.

FREDERICKSBURG, Va., May 26.
—A large Riker truck, carrying 15
marines, turned over last night
while en route back to Quantico
barracks from this city. The truck
was one of a train of machines
which brought a regiment of mar-
ines here Wednesday to partici-
pate in Fredericksburg's 250th an-
niversary celebration.

The accident occurred in Stafford
county, where the truck swerved
over an embankment. Seven of the
occupants received slight cuts and
bruises. Two marines, H. H. Hep-
burn, 21, "ears old," of Waterbury,
Conn., and L. M. Currie, 19, years
old, of Rockhill, Md., were badly
injured when they were imprisoned
beneath the machine. They were
picked up unconscious and rushed
to the Mar. Washington hospital
here. Both sustained internal in-
juries.

While trying to ascend after
landing near here, a plane piloted
by Capt. Brannan was turned
badly demolished. The airplane
was from Reid aviation field. The
aviator and his mechanic, Fred
Sturff, were caught beneath the
debris but escaped with slight in-
juries.

Arnsstein Arguments June 3.

Justice Frederick L. Siddons, who
has taken the place of the late Jus-
tice Ashley M. Gould on the bench
in criminal court, yesterday set
June 3 as the date for the hearing
of arguments on the motion of Jules
(Nicky) Arnsstein and others for a
new trial. Arnsstein, and Norman S.
Bowles, David W. Sullivan, Wil-
son, E. A. Easterday and Isadore (Nick)
Cohn, were convicted of charges of
conspiracy to bring stolen se-
curities into the District. Justice
Gould was to have passed on the
motion for a new trial on the day
he died.

CLAIM THAT MONEY MADE NATION FIGHT RESENTED IN HOUSE

Texas Man Wants Speech
Stricken from Records
Of Congress.

Representative Michaelson, Re-
publican, of Illinois, demanded yester-
day that the house adopt his
resolution for an investigation of
charges that a gigantic financial
combine plucked the United States
into the world war.

Democratic members made several
efforts to prevent Michaelson from
speaking. When he concluded, Re-
presentative Connolly, Democrat,
of Texas, one of the leading supporters
of the Wilson administration in the
lower house, sought to have
Michaelson's speech expunged from
the Congressional Record.

Several times while Mr. Michael-
son was speaking Representative
Blanton, Democrat, of Texas, sought
to make a point of order against
the speech and prevent its delivery.

Representative Connolly then
moved that the speech be stricken
from the Record. The fact that there
was not a quorum of the house
present was noted, and Representa-
tive Haugen, republican, of Iowa,
moved adjournment.

"Most present-day magazine jokes
are puerile," says a writer. Doesn't
he mean senile?
